

## Grand Openings for CFSC Customers in NY

**Englewood Cliffs, NJ, Nov, 2017:** Community Financial Service Centers (CFSC) is celebrating the opening of 4 new stores and one relocation throughout NYC, the Bronx and Brooklyn. They want the communities around them to celebrate, too! Join CFSC with a Ribbon Cutting Ceremony, free food, fun and prizes on Wednesday, **November 22<sup>nd</sup> from 11am-2pm** at the following store locations: **1297 Boston Rd, Bronx; 473 Lenox Ave, NYC; 2018 Lexington Ave, NYC; 1502 St. Nicholas Ave, NYC; and 735 Flatbush Ave, Brooklyn.**

“Our customers know they can rely on our services and especially the care we provide them to support their financial needs quickly and compassionately,” stated Tom Musial, President of NY Community Financial, LLC, who opened and operates the 87 stores in the NY- NJ metro area. “We understand our customers and provide the right products and services to enhance their financial situations at a minimal cost, and we look forward to servicing the customers in these new locations,” added Musial. Musial, like 90% of the employees at NY Community Financial, had begun his career as a teller at the store level in Wisconsin. CFSC executives, managers and employees respond to their customers with a sense of knowing, because most of them have been involved at the store level and have serviced customers personally.

These stores bring the total CFSC NY-NJ metro store count to 87, with CFSC stores nationally at more than 200. CFSC store locations provide their communities with a complete array of financial services necessary for customers in these neighborhoods, including check cashing, business check cashing, electronic bill pay, money orders, money transfers, foreign currency exchange, debit cards, ATM services, and much more. CFSC stores provide a level of customer service that is unparalleled in the industry highlighting extended store hours with many stores open 24 hours for their customers' convenience.
