

## CFSC Welcomes Three New Stores in NY

**Bronx, NY, August, 2020:** Community Financial Service Centers (CFSC) has acquired three new stores in the Bronx and Mount Vernon areas of NY. These stores bring their total NY-NJ metro count to 87, with CFSC stores nationally at approximately 200. These three additional stores will support their local communities with a complete array of financial services necessary for neighborhood residents and local businesses. CFSC locations provide a level of customer service that is unparalleled in the industry highlighting extended daily store hours, weekend hours and many 24-hour stores to meet the demands of their customers.

“As an essential business throughout the past 6 months, CFSC employees have worked hard to keep our locations open, following CDC COVID-19 guidelines to help keep our customers safe. Our customers know they can rely on our services, especially when they need us most. Store employees provide care and compassion to support our customers’ financial needs quickly and completely,” stated Tom Musial, President of NY Community Financial, LLC, who owns and operates the 87 stores in the NY-NJ metro area. “We welcome the residents and business owners to stop in to our new locations and we look forward to servicing them and their families,” added Musial.

The three newly acquired CFSC locations previously operated as check cashing stores under Eastchester Check Cashing. These stores have operated successfully for many years supporting their communities with financial services. With the support and resources of the CFSC brand, customers are assured the same friendly customer service along with additional products and services, and extended hours for customer convenience.

Along with additional services in these locations, CFSC is also hiring employees. At this unprecedented time when many companies are laying off employees and some shutting their doors completely, so many workers have found themselves out of a job. CFSC is a company that offers consistent employment, competitive wages, and valuable, essential benefits to its employees. They have several locations in the 5 NY boroughs, Westchester, Mount Vernon, Middletown and northern NJ seeking new hires right now.

“CFSC integrates a core value to feel productive and rewarded for the work we do in our communities. Our locations are open day and night, on weekends, and some are open around the clock. This not only answers to our customers’ needs, but also supports our employees with flexible, family-friendly scheduling opportunities,” says Larry Liskiewicz, Director of Operations for NY Community Financial, LLC. “CFSC is a great company to work for providing many sought-after benefits, such as Paid Training, Paid-Time-Off, Merit Bonuses, Medical/Dental Benefits, a matching 401K Saving Plan, and a Leadership Training Program, whereby we promote almost exclusively from within the company,” Liskiewicz explains.

Of the three new store locations, one is located in the Bronx at 2046 Eastchester Rd, and the other two are in Mount Vernon at 108 South 4<sup>th</sup> Ave and 48 Gramatan Ave. For employment opportunities at any of the CFSC locations, visit their website at: [www.cfsc.com/careers](http://www.cfsc.com/careers).
